Treść raportu:

Management Board of Automotive Components Europe S.A. informs that on August 28, 2008 its subsidiary EBCC Sp. z o.o. signed a hedging contract with BRE Bank S.A., to secure EURO/PLN exchange rate of a part of sales revenues to cover a zloty part of production costs. Duration of the agreement will be 24 months i.e. from January 2009 until December 2010, and there will be done one transaction per month. Total value of the agreement is 7.2m €. This is a typical agreement signed by EBCC Sp. z o.o. for the last few years.
